

OPEN DAY

THESIS/INTERNSHIP OPPORTUNITY

Come and discover your next research opportunity at the Radar and Surveillance Systems Lab!

MAY
2025

13th

Session 10:00 - 13:00
Session 14:30 - 17:00

Galleria G.B. Gerace 14, 6th floor
56124 | Pisa

The RaSS Laboratory of the National Inter-University Consortium for Telecommunications (CNIT) in Pisa is opening its doors to students, PhD candidates, and faculty members to showcase its research activities during a day dedicated to exploring innovative technologies in radar and applied electromagnetism.

The event will feature **hands-on demonstrations** and **interactive discussions** in the Lab's spaces.

#JOBOPPORTUNITY

Sign up for the event 
by **May 5th, 2025**.

The RaSS Laboratory is open to new collaborations in its national and international research projects.
